In G.O. No 6137-38 dy 23.5.41, the purchase of two Remington typewriters – Model No 17 – for the use of this office was sanctioned and the machines have been received here this day. They are both of foolscap size, with 100° carriage.

All the typewriters of the office, except these two latest arrivals, have been provided with leather cases. It is necessary that these also should similarly be provided with them. Otherwise they will be exposed to the risk of damage in transit. (Every year these will have to be taken to and from Mysore, twice.)

Both the cases together are expected to cost about Rs. 200/=. If this expenditure is kindly sanctioned and orders issued to that effect, the Stores Purchase Committee Office may be requested to get the cases supplied to this Office by the Remington Co.

fgN 29.5.41. The expenditure can be met out of the Savings anticipated under the grant of Rupees 5000 for extra expenditure on account of the new Constitutional Reforms". The Financial Secretary may be consulted
